

Confirmation of Cooperation on the Research Project

This is to confirm that Grzegorz Michalski collaborated on the research project ITMS2014+: No. 313011T572, titled:

“Selected Forms of Non-technological Innovations and Their Possible Application in Mitigating Negative Impacts of Technologies on Society.”

The project was carried out within the framework of the Operational Programme Integrated Infrastructure (OPII) and was co-funded by the European Regional Development Fund (ERDF) and the state budget of the Slovak Republic.

The involvement of Grzegorz Michalski has taken place from 2019 until the present and included consultations, expert support, cooperation in selected activities of the research team, as well as additional activities related to student supervision and the direct transfer of research findings into practice.

This confirmation is issued upon the request of the above-named person for the purpose of documenting his international professional and project-based cooperation.

Košice, November 18, 2025

Assoc. Prof. Michal Šoltés, PhD.
Dean of the Faculty of Economics
Technical University of Kosice
